Dear Potential Donor,

Our nation continues to lose between 120 and 160 law enforcement officers in the line of duty each year. We support survivors living in Washington State, no matter where their officer died. The mission of the *all-volunteer* Washington State Concerns of Police Survivors is to help survivors of law enforcement line-of-duty death rebuild their shattered lives. To do so, we rely on donations and fundraisers which are used to offer:

- *Peer support (coffee together, survivor social functions, chapter meetings)*
- *Trial and Parole support for survivors forced to relive painful details about their officer's death*
- *Assistance to attend annual Police Week, retreats and events such as:*
  - *Kids / Young Adults / Adult Children retreats and programs*
  - *Spouse's retreat / Fiancées and Significant Others retreat*
  - *Parents' retreat / Siblings' retreat / Extended Family retreat*
  - *Co-workers' retreats / Suicide survivors' retreats*
  - *Survivors' Conference at National Police Week*
  - *Surviving to Thriving annual conference*

We know that you receive many requests for donations. In order for Washington State Concerns of Police Survivors to continue offering our important services, we need your help. Please consider becoming a sponsor of or donating goods/services to our *Swing for a Cause* Golf Tournament being held at the White Horse Golf Club in Kingston on Friday, June 27, 2025.

Your donations are tax deductible. Our Tax ID (EIN) is 91-1616445
